YOUR / COMMUNICATION & CREATIVE ARTS / PATHWAYS START HERE

Content creation

Certificate in Digital Creative Content

Acquire essential creative arts, content entrepreneurship, and communication skills to thrive in the digital content frontier.

Pathway to Diploma programmes*

(*Pre-requisites apply)

Study visit to the Mah Meri Cultural Village in Pulau Carey

As part of their writing assignments, students learn about the indigenous people's way of life, concerns, and issues, which will later be used for their write ups and presentations related to community and global outlook.

Content creation

Diploma in Digital Creative Content

Know what makes people tick (and click), and what angles and perspectives are relevant to be featured. Be the mastermind of engaging content - strategise, create, produce, and edit videos, social media posts, blog, websites and more!

Be highly sought-after by media agencies and companies seeking to promote products and services via online and digital marketing platforms.

Visual arts & creative design

Diploma in Graphic and Multimedia Design

Work alongside clients to bring to life what they visualise in their minds, or be your own art director. Designers work on a variety of projects, from corporate website designs and product packaging, to storybook covers and character drawings for educational apps.

Complement your design talents with entrepreneurial skills in this programme!

Advanced entry into:

Public relations, corporate communication

Diploma in Communication

Communication is at the core of each interaction we have. From literary proses to business jargons, words, and the way we convey it, have the power to promote a brand, impact and change public perception & opinion, and avert PR disasters.

Gain valuable industry experience and delve into advertising, corporate communication, public relations, marketing, broadcasting industries, and more!

Digital media

Diploma in Interactive New Media

Be at the forefront of emerging trends, and convey ideas across multiple platforms. Students learn to transform messages into interactive applications, short videos, films, and animations.

Sharpen your proficiency in the latest media platforms and presentations! Bridge the divide between ideas on the clients' minds and what prospective customers want to see.

Interior design

Diploma in Interior Design

Transform spaces to bring out different ambiances, evoke a desired mode, and facilitate interactions. Create functional designs and build your future in interior design. This course also covers practical knowledge on building services & construction, and architectural drawing know-how.

Film & theatre

Diploma in Performing Arts

From theatrical comedies to documentaries bringing light to societal issues, harness the power of film and theatre to convey messages. Students learn to be equally adept in front of the camera and onstage, as well as production and handling what goes on behind the scenes. Graduates are prepared not just for theatre and film, but related industries in television, radio, advertising, broadcasting, and social media.
