

SUNWAY
COLLEGE

A Brighter Future

PRE-UNIVERSITY STUDIES 2023

Experienced in and committed to working with students in Pre-University Studies, our lecturers and the teaching-learning approaches bring out the best academic performance and leadership attributes in our students.

The unique aspect of our Pre-University Studies experience is the mentoring and guidance students receive from dedicated and professional academics.

YOUR PATHWAY TO A BRIGHTER FUTURE

FOUNDATION FOR TERTIARY STUDIES

The six internationally recognised Pre-University programmes are tailored to suit individual student's academic pathway. Every success story is a testimony of Sunway College's high degree of pastoral care and academic guidance.

- Australian Matriculation Programme (AUSMAT)
- Cambridge GCE Advanced-Level (A-LEVEL)
- Canadian International Matriculation Programme (CIMP)
- Monash University Foundation Year (MUFY)
- Sunway Foundation in Arts (FIA)
- Sunway Foundation in Science and Technology (FIST)

A strong tradition of academic excellence prevails at Sunway College. Every attention is given to our students' development. Students develop teamwork, communication and independent learning skills which build confidence and success.

ENRICHING LEARNING EXPERIENCES

Students have a head start not only academically but also personally through exposure to extracurricular activities in clubs and societies. They are also enriched by lectures, eminent speakers and industry leaders.

LEARNING RESOURCES & FACILITIES

Sunway College provides a comprehensive range of teaching and learning resources and facilities. Classes are conducted in conducive and well-facilitated premises and are supported by state-of-the-art technology.

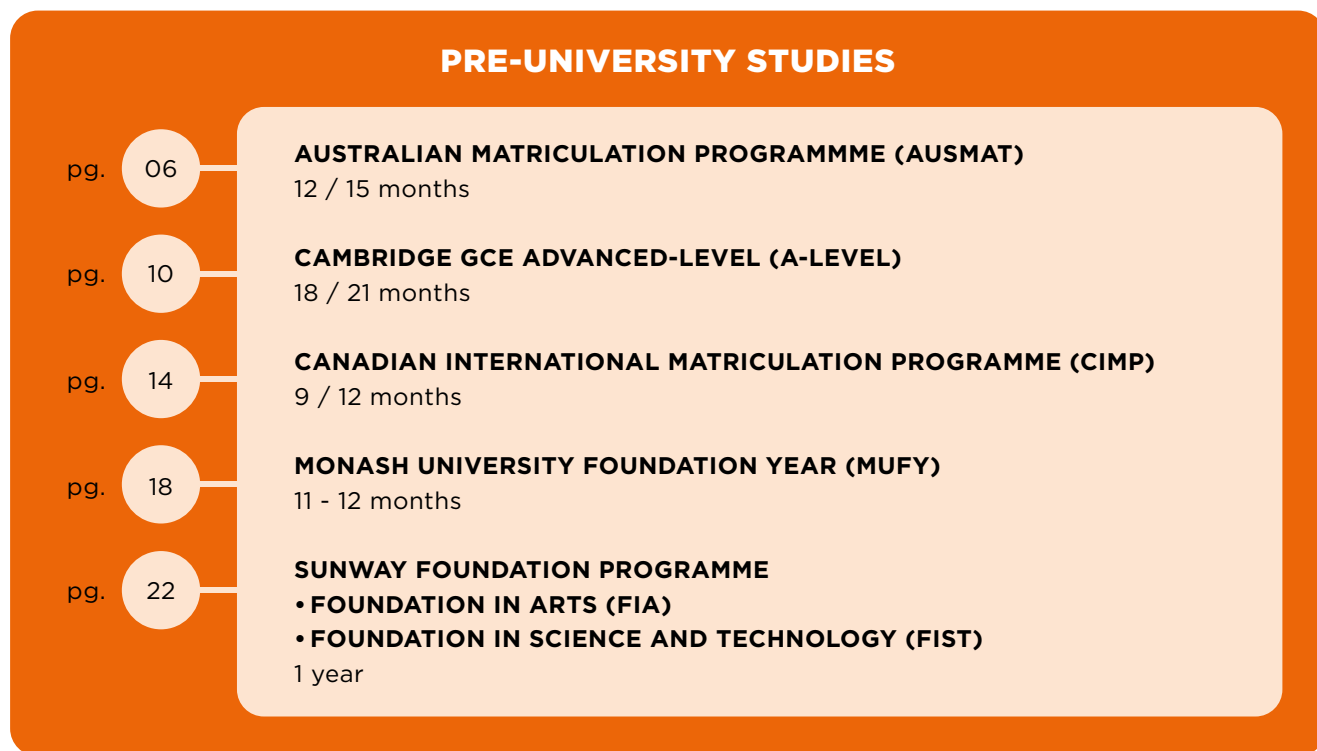

EXPERIENCED & DEDICATED LECTURERS

Lecturers are committed to teaching and learning, offering personalised attention and mentoring through small-group learning to assist students in achieving their goals. More than 70% of Pre-University lecturers at Sunway College have more than 5 years of teaching experience.

GUIDANCE TO UNIVERSITY PLACEMENT

Lecturers and guidance advisors assist students with information and advice on career choices and university applications and place students in the university of their choice. Sunway College's Pre-University students have successfully progressed into prestigious universities worldwide such as Oxford and Cambridge in the UK, Harvard and Cornell in the USA, and Group of Eight Universities in Australia, to name a few.

AUSTRALIAN MATRICULATION PROGRAMME (AUSMAT)

The School Curriculum and Standards Authority of Western Australia, on behalf of the Government of Western Australia, oversees the quality implementation of the AUSMAT Programme.

- More than 35 years of excellence
- Best Smart School Award at the 2019 Edutech Asia Award
- Year 12 Curriculum of Western Australia
- Prepares students for the Western Australian Certificate of Education (WACE)
- More than 100 subject combinations that include Science & Humanities
- Flexibility to explore diverse academic and career interests
- Focus on lifelong learning skills such as consistency, multitasking, time management, collaboration and communication
- Student supporting students: Student Mentoring
- Lecturer supporting students: Academic Advisory, We-Care, University Guidance Advisory
- Parent support: Parent Portal, Parent Info Session, Parent-Lecturer Session

AUSMAT PROGRAMME OVERVIEW

You're suitable for AUSMAT if you:

- ▶ Want a qualification recognised in Malaysia and worldwide
- ▶ Are a 21st century learner who prefers lessons that incorporate effective use of educational technology
- ▶ Want the flexibility to choose subjects from Science & Humanities
- ▶ Prefer the balance of continuous school-based assessment and external exam
- ▶ Prefer to develop skills such as multitasking, consistency, time management, collaboration and communication

CHOICE OF SUBJECTS

Students are required to select five (5) subjects inclusive

OPTION

4 AT subjects & 1 Professional Skill Electives is for you if:

- You would like to explore different interests
- You would like to focus on 4 subjects in external WACE exam

OPTION

5 AT subjects is for you if:

- You would like to take advantage of choosing the best 4 of 5 subjects for your ATAR calculation
- You can cope with external WACE exam for 5 subjects

Core Electives (Select 1)

AT English - Additional Language/Dialect	 AT English	GT English*
--	---	-------------

Academic Electives

AT Maths Applications	AT Maths Methods	AT Maths Specialist*	AT Business Management & Enterprise	AT Accounting & Finance
AT Economics	AT Psychology	AT Chemistry	AT Physics	AT Human Biology

Professional Skill Electives*

 GT Career & Enterprise	GT Computer Science	 GT Food Science & Technology	 GT Psychology
 GT Drama	 GT Politics & Law	 GT Engineering Studies	

 Subjects are not offered in the July intake.

*For students joining the September intake, these subjects will be offered in Semester 2.

Note:

1. For Subject Code AT, school assessments contribute 50% and external examination, Western Australian Certificate of Exam (WACE) contributes 50% of the final score.
2. For Subject Code GT, School assessments contribute 85% and externally set task contributes 15% of final score.
3. The programme reserves the right not to offer a Professional Skill Elective subject if less than 20 students enrol for the subject.

AUSMAT PROGRAMME STRUCTURE

STRUCTURE

The AUSMAT programme is delivered over 2 semesters (February, July intakes) or 3 semesters (September intake).

It is recommended students use touch screen laptops or tablets to benefit from the digital resources available in the AUSMAT digital library.

ASSESSMENT AND EXAMINATIONS

AUSMAT offers a balanced assessment approach of 50% - 85% school assessment and 50% or 15% external examinations or task.

The school assessment component removes the pressure associated with a single high-stakes end-of-year examination. A variety of assessment methods such as tests, quizzes, assignments, investigations, research, presentations and examinations will develop students as versatile learners.

Officers appointed by the School Curriculum and Standards directly supervise and conduct examinations. Moreover, all external examination scripts are sent to Western Australia for marking.

CALCULATION OF ATAR

AUSMAT provides the benefit of calculating a student's score based on '4 AT' subjects. These scores are then ranked for the Australian Tertiary Admission Rank (ATAR) for university applications.

CAMBRIDGE GCE ADVANCED-LEVEL (A-LEVEL)

We prepare students for the General Certificate of Education Advanced Level (GCE A-Level) qualification through examinations by the Cambridge International Examinations (CIE).

- Accepted as proof of academic ability for entry into highly competitive courses and top-ranked universities worldwide
- Examination structure: Advanced Subsidiary (AS) and Advanced Level (A2)
- Emphasis is on analysis and application of in-depth knowledge and laboratory skills
- Assessment: 100% examination-based
- Mentor-mentee system guides students through their academic progress and university applications

A-LEVEL PROGRAMME OVERVIEW

You're suitable for A-Level if you:

- ▶ Are academically inclined with a strong analytical and inquisitive mind
- ▶ Intend to keep open as many options as possible in terms of university studies
- ▶ Aim to apply for competitive courses and / or universities
- ▶ Prefer a 100% examination-based assessment

CHOICE OF SUBJECTS

The A-Level subjects offered are:

Accounting
Biology
Chemistry
Economics
Further Mathematics#
History
Law
Literature in English
Mathematics
Physics
Psychology
Thinking Skills (AS only)

To be taken as a fourth subject in addition to Mathematics.

Students shall be required to choose **a minimum of three (3) or a maximum of four (4)** A-Level subjects. Thinking Skills is offered at AS Level only. We encourage students to consider Thinking Skills as a fourth or additional subject to strengthen their university applications.

The following is a guide to the most popular subject combinations students choose as pathways to various university programmes.

Pre-Medicine & Pre-Science

Biology
Chemistry
Literature in English
Mathematics
Physics
Psychology

Pre-Engineering & Pre-Science

Chemistry
Economics
Literature in English

A-LEVEL PROGRAMME STRUCTURE

STRUCTURE

The Cambridge A-Level curriculum provides a bedrock of foundational knowledge and comprehensive coverage in the breadth and depth of subjects offered. Students are assessed on their mastery of subject matter, their application of knowledge, understanding of everyday scenarios and their ability to think critically in unfamiliar situations. In the Sciences, a fair part of the assessment involves demonstration of laboratory-based skills.

.....

ASSESSMENT AND EXAMINATIONS

The A-Level syllabus is divided into AS Level, the first half of the programme, which forms the foundation of A-Level (A2). The A2 Level is the second part of the syllabus and covers more advanced topics. Each level contributes 50% towards the final A-Level grade.

The examination papers for both the AS and A2 Levels are set and marked by examiners from Cambridge International Examinations.

CANADIAN INTERNATIONAL MATRICULATION PROGRAMME (CIMP)

CIMP is the Canadian Year 12 School curriculum delivered according to the requirements of the Ontario (Canada) Ministry of Education.

- Current faculty has over 370 years of teaching experience and have taught in 29 countries in addition to Malaysia
- Students graduate with the internationally recognised Ontario Secondary School Diploma, with the necessary academic and interpersonal skills to compete successfully in the global world
- CIMP focusses on:
 - High level of communication with students and parents regarding attendance & academic progress (letters of early communication, attendance reports, two report cards each semester, email communication, webpage & social media, consulting & curriculum progress on digital classroom)
 - Extracurricular activities including Student Council, Model United Nations, People to People International, Varsity Athletics in the International School Athletic Conference, various clubs and societies; poetry, fitness, Math & English help, coding, entrepreneurship, sports
 - Student recognition: Community service awards, extracurricular activities awards, student of the month, subject achievement awards
 - Character education: Virtues of the month: Acceptance, Responsibility, Loyalty, Creativity, Optimism, Citizenship, Diligence, Ambition, Aspiration, Gratitude

CIMP PROGRAMME OVERVIEW

You're suitable for CIMP if you:

- ▶ Prefer emphasis on continuous assessment and formative feedback, rather than final external examination
- ▶ Learn best through a variety of assessment techniques to develop communication, collaboration and critical thinking skills
- ▶ Value contributing to society through volunteering to foster character development and citizenship
- ▶ Wish to be engaged in the educational community by participating in extra-curricular activities and exploring individual interests and creative skills

CHOICE OF SUBJECTS

Students are required to choose **six (6) subjects** from the list below that best suit the entry requirements for their university studies.

English

ENG4C	English for College
ENG4U	English for University
EWC4U	The Writer's Craft
OLC4O	Ontario Secondary School Literacy Course

Business Studies

BAT4M	Financial Accounting Principles
BBB4M	International Business Fundamentals
BOH4M	Business Leadership: Management Fundamentals

Computer Studies

TGJ4M	Communications Technology
ICS4U	Computer Science

Performing Arts

ADA4M	Drama
AMU4M	Music

Social Sciences

CGW4U	World Issues: A Geographic Analysis
CHY4U	World History since the Fifteenth Century
CIA4U	Analysing Current Economic Issues
HHS4U	Families in Canada
HSB4U	Challenge and Change in Society
PSK4U	Introductory Kinesiology

Sciences

SBI4U	Biology
SCH4U	Chemistry
SPH4U	Physics

Mathematics

MDM4U	Mathematics of Data Management
MHF4U	Advanced Functions
MCV4U	Calculus and Vectors

CIMP PROGRAMME STRUCTURE

STRUCTURE

All students must successfully complete the following to graduate with the Ontario Secondary School Diploma (OSSD):

- Six (6) pre-university courses including ENG4U or ENG4C.
- An external literacy test (OSSLT) administered with the Ontario Ministry of Education.
- Ten (10) hours of approved Community Service.

Students should select subjects that best suit the entry requirements for their university studies.

ASSESSMENT AND EXAMINATIONS

Assessment is based on continuous evaluation.

- 70% is formative assessment (tests, assignments, daily work, etc.)
- 30% is final exam and / or culminating activity

Parents / Guardians will receive two formal report cards of their child's performance, sent out each semester. Students will receive an Ontario Student Transcript (OST) disclosing full information on all subjects taken.

**AS A PATHWAY
TO UNIVERSITY**

MONASH UNIVERSITY FOUNDATION YEAR (MUFY)

The academic bridge for students to transition successfully into undergraduate studies at Monash University and other universities.

- Sunway College is the only provider of the MUFY Programme in Malaysia
- Recognised by all Australian universities, selected New Zealand and UK universities, branch campuses of overseas universities in Malaysia and other local private universities
- Non-discipline specific foundation programme that prepares students for all university courses
- Flexible mode of study through modular delivery
- Coursework-focused curriculum develops vital skills for success in university
- Many MUFY graduates are awarded scholarships to pursue undergraduate studies

MUFY PROGRAMME OVERVIEW

You're suitable for MUFY if you:

- ▶ Have Monash University on your radar
- ▶ Are considering other Australian, New Zealand, UK or private universities in Malaysia
- ▶ Are interested in a non-discipline specific foundation programme that prepares students for a broad range of university courses

CHOICE OF SUBJECTS

Language

MUF0011	English Unit 1 (Compulsory)

MUF0131	Global Studies Unit 1
MUF0132	Global Studies Unit 2
MUF0151	Contemporary Issues Unit 1
MUF0152	Contemporary Issues Unit 2

SUCCESSFUL COMPLETION OF THE PROGRAMME

A student must pass a minimum of eight different units to complete MUFY successfully. At least six of the eight units must be derived from three subjects i.e. there must be at least three complete subjects. One of the three complete subjects must be English. The remaining two units can be derived from either the same subject or from different subjects.

* The Programme reserves the right not to offer a unit if less than 10 students enrol for the unit.

The MUFY programme is offered on a modular or semester basis. Each subject is divided into two units i.e. Unit 1 and Unit 2. In total, the programme offers twelve subjects in twenty-four units.

MUFY PROGRAMME STRUCTURE

STRUCTURE & MODE OF LEARNING

MUFY is a two semester programme which is available across 3 standard intakes - January, July, August.

Students study 4 units in semester 1 and another 4 in semester 2.

MUFY is delivered in a learning format which combines face-to-face instruction with self-directed learning delivered on an e-learning platform. To cope with this learning approach, students are required to bring their own laptops with a built-in front-facing camera and microphone.

ASSESSMENTS AND EXAMINATIONS

Students are assessed through a mix of coursework (e.g. assignments, class tests, research projects, presentations) and final examinations. Coursework constitutes 70% of the total score while the remaining 30% is based on final examinations. For Contemporary Issues Unit 1 and Unit 2, and Global Studies Unit 1 coursework makes up 100% of the total score.

The MUFY programme scoring scale is determined as follows:

GRADE SCORE	(%)	GRADE SCORE	(%)
HD (High Distinction)	80 - 100	P (Pass)	50 - 59
D (Distinction)	70 - 79	N (Fail)	0 - 49
C (Credit)	60 - 69		

CALCULATION OF THE MUFY SCORE

To arrive at the MUFY score, the passed marks obtained from all eight units are added up and then divided by eight. Bonus marks are awarded to students who complete nine or ten units in two semesters.

*For more information on the MUFY programme, kindly refer to the MUFY Student Guide 2023: <https://college.sunway.edu.my/programmes/pre-u/mufy/resources>

SUNWAY FOUNDATION PROGRAMME (FIA & FIST)

FOUNDATION IN ARTS (FIA)

FIA creates an academic pathway for students to transition smoothly into tertiary level studies at Sunway University or to selected local and overseas universities.

- Enables students to set personal and academic goals and to identify their individual talents
- Develops social responsibility through community involvement and participation in extracurricular activities
- Equips students with technical and soft skills necessary to be resourceful and successful in higher studies and enterprising in their careers
- Assessment: 50% coursework and 50% examination
- Support and guidance to students on academic and personal matters by dedicated lecturers

FOUNDATION IN SCIENCE AND TECHNOLOGY (FIST)

FIST charts a learning strategy to prepare students to move into tertiary fields of study in science in their areas of interest.

- The programme is designed to ensure that students are able to set personal achievement targets
- Compulsory subjects of English for Science and Academic Writing Skills prepare students for language used in higher level scientific literature and academic rigor of undergraduate courses. The programme inculcates a sound understanding of ICT application skills and statistics
- The programme encourages enrichment in general knowledge, critical thinking skills and Professional Development
- Students explore through interactive discourses in units of Critical Thinking, Science and Ethics, Scientific Revolutions, Introduction to Psychology and Professional Development
- All aspects of learning in FIST are current with practical situations and experience that will ensure understanding of concepts and theories

FIA PROGRAMME OVERVIEW

You're suitable for FIA if you:

- ▶ Prefer a direct pathway to Sunway University Degree Programmes
- ▶ Perform better through 50% coursework and 50% examination
- ▶ Want to develop strong foundation in a chosen field of study
- ▶ Are active and like working in teams
- ▶ Enjoy academic rigor and student-driven activities

CHOICE OF UNITS

A student is required to pass 50 credit hours which is equivalent to thirteen (13) units in order to complete FIA successfully. This is inclusive of six (6) Core units, three (3) Enrichment units and four (4) Academic elective units which are **COMPULSORY**. **Core and Enrichment Units for every semester are fixed by the programme. Academic electives for every semesters are subject to change. Students will be advised during subject registration.**

SEMESTER 1 (5 UNITS)

CORE UNITS

- Language and Communication
- Contemporary Business Mathematics

ENRICHMENT UNITS

- Critical Thinking Skills **OR**
- Culture: Arts and Expressions

ACADEMIC ELECTIVES (CHOOSE 2 UNITS)

- Introduction to Accounting Techniques
- Microeconomics: Concepts and Models

SCHOLARSHIPS & FINANCIAL AID

The Jeffrey Cheah Foundation (JCF) is founded on the fundamental premise of giving to society. In line with the spirit of the Foundation, good education at the highest level should not be denied to those deserving, and for those from disadvantaged backgrounds. JCF scholarships create opportunity for all deserving students to succeed in life. JCF safeguards its institutions for the purpose of providing and sustaining quality education for present and future generations of students.

JEFFREY CHEAH ENTRANCE SCHOLARSHIP

This Scholarship is offered to all students in recognition of their excellent academic achievements prior to admission into Pre-University Studies in Sunway College. Partial and full scholarships are disbursed according to students' academic results in SPM / O-Level.

JEFFREY CHEAH ACE SCHOLARSHIP

This Scholarship is offered to all Sunway College Pre-University and Foundation Studies students progressing into undergraduate programmes at Sunway University and Victoria University's Bachelor of Business.

TALENT SCHOLARSHIP (SPORTS)

Awarded to students who are actively involved in sports at the state & national level.

Kindly refer to our Scholarship Brochure for more details or log on to sunway.edu.my/scholarships for the full list of scholarships available. To obtain further details, do visit the Admissions Office located at the Ground Floor of Sunway College.

DEVELOP YOUR FULL POTENTIAL

PRE-U LEADS

Sunway Pre-U prepares students holistically to be LEADERS today and tomorrow. Sunway Pre-U LEADS offers fully / partially subsidised co-curricular programmes to equip students with crucial skills and develop them beyond their academic achievements. The focus of the programmes include Digital Literacy, Youth Leadership, Financial Literacy, and Environmental Sustainability and Stewardship.*

EXPLORE

EXPLORE is a self-development programme designed by the Sunway Career Services of Student LIFE for Pre-University students to prepare them for college life and beyond.

Activities organised by EXPLORE include on-campus seminars, talks, workshops, career exploration fairs, career interest tests, exploration trips to companies from various industries and more.

For more information, visit our social media platforms- Facebook, Instagram and LinkedIn @sunwaycareersevicees.

*Subject to availability. Please consult programme advisors for programmes' schedule.

STATE-OF-THE-ART FACILITIES

TUN HUSSEIN ONN SUNWAY LIBRARY

The ISO 9001:2015 certified Library is one of the largest libraries for private educational institutions in Malaysia. Equipped with the latest library technology, Sunway Campus Library is linked worldwide, providing easy access to international e-databases and thousands of e-journals.

Its spacious 72,000 square feet of floor space provides a variety of learning spaces including Individual and Collaborative, Learning Spaces, Viewing Zone (Video Content), Group Project Pods (Projects and Meetings), Training Rooms, Instructional Lab, Drink and Phone Area and Information Technology Facilities. Users may study in the Extended Hour Study Area until 2.00 am every day.

Our library is ever growing with a huge variety of books, e-journals, online e-databases, audiovisual and other collections to support the teaching, learning and research efforts of the academic community at Sunway College KL.

Learn more about the Tun Hussein Onn Sunway Library at library.sunway.edu.my.

Laboratory

CAMPUS LIFE

EAT. PLAY. MOVE.

Eat and chill out at the spacious on-campus cafeteria, nearby off-campus restaurants and food centre, or at the endless variety available at Sunway Pyramid mall — only a Canopy Walk away.

RESIDE ON CAMPUS

Plus points — no traffic jam, convenient to get to classes, opportunity to meet new friends. Three types of on-campus accommodation are available: Sun-U Apartment, Sun-U Residence and Sunway Waterfront Residence.

Sunway College offers various types of excellent on-campus accommodation, with priority given to outstation and international students. All hostel units are a mere walk from everything a student would want or need.

#CampusWithAConscience

#CampusWithAConscience is an underlying principle that embraces everything you will experience during your time at Sunway Education Group. This is the fundamental spirit at the heart of Sunway Campus Life as we educate, encourage, and engage all aspects of our diverse community to adopt a lifestyle and lifestyle habits that truly reflect a society determined to create a better living environment for this generation and generations to come.

This # campaign aims to encourage conscientious efforts of the Sunway campus community in areas such as:

- The United Nations Sustainable Development Goals
- Acceptance and tolerance towards each community member of the campus and the wider national and global community;
- Inclusiveness of all and unity with all;
- Well-being, both physical and mental;
- Doing things right for society.

Join our journey as we seek to create a better environment for all, starting with you.

SAFETY & SECURITY

The campus values security and have therefore set up a 24-hour Security and Auxiliary Police & Security personnel who are accorded full-fledged auxiliary police status.

Whenever a student feels under the weather, they can make their way to the sick bay. Endearingly known as Nightingale Bay, it is located at the Ground Floor of South Building West, Sunway College where a matronly Registered Nurse is on duty and well-equipped to handle minor ailments.

#MostHappeningCampus

#MostHappeningCampus is a vibrant concept to promote a positive sense of inclusiveness whilst also generating a genuine feeling of community spirit. This # campaign has been successful in developing positive energy, togetherness and working as a team towards a common goal. It encompasses all the energy of Sunway life and supports student activities that happen on our campus.

May it be iconic events hosted on campus, unique student activities, academic presentations, or even visits by global personalities that inspire us, #MostHappeningCampus expresses our feeling of positive energy and encourages all our community to work together and develop personal attributes and qualities that will support their academic achievements at Sunway.

The most happening part of our campus is YOU.
