YOUR PATHWAY TO A BRIGHTER FUTURE

#CampusWithAConscience

#CampusWithAConscience is an underlying principle that embraces everything you will experience during your time at Sunway Education Group. This is the fundamental spirit at the heart of Sunway Campus Life as we educate, encourage, and engage all aspects of our diverse community to adopt a lifestyle and lifestyle habits that truly reflect a society determined to create a better living environment for this generation and generations to come.

This # campaign aims to encourage conscientious efforts of the Sunway campus community in areas such as:

- The United Nations Sustainable Development Goals
- Acceptance and tolerance towards each community member of the campus and the wider national and global community;
- Inclusiveness of all and unity with all;
- Well-being, both physical and mental;
- Doing things right for society.

Join our journey as we seek to create a better environment for all, starting with you.

#MostHappeningCampus

#MostHappeningCampus is a vibrant concept to promote a positive sense of inclusiveness whilst also generating a genuine feeling of community spirit. This # campaign has been successful in developing positive energy, togetherness and working as a team towards a common goal. It encompasses all the energy of Sunway life and supports student activities that happen on our campus.

May it be iconic events hosted on campus, unique student activities, academic presentations, or even visits by global personalities that inspire us, #MostHappeningCampus expresses our feeling of positive energy and encourages all our community to work together and develop personal attributes and qualities that will support their academic achievements at Sunway.

The most happening part of our campus is YOU.

A strong tradition of academic excellence prevails at Sunway College. Every attention is given to our students' development. Students develop teamwork, communication and independent learning skills which build confidence and success.

ENRICHING LEARNING EXPERIENCES

Students have a head start not only academically but also personally through exposure to extracurricular activities in clubs and societies. They are also enriched by lectures, eminent speakers and industry leaders.

LEARNING RESOURCES & FACILITIES

Sunway College provides a comprehensive range of teaching and learning resources and facilities. Classes are conducted in conducive and well-facilitated premises and are supported by state-of-the-art technology.

EXPERIENCED & DEDICATED LECTURERS

Lecturers are committed to teaching and learning, offering personalised attention and mentoring through small-group learning to assist students in achieving their goals. More than 70% of Pre-University lecturers at Sunway College have more than 5 years of teaching experience.

GUIDANCE TO UNIVERSITY PLACEMENT

Lecturers and guidance advisors assist students with information and advice on career choices and university applications and place students in the university of their choice. Sunway College's Pre-University students have successfully progressed into prestigious universities worldwide such as Oxford and Cambridge in the UK, Harvard and Cornell in the USA, and Group of Eight Universities in Australia, to name a few.

AUSTRALIAN MATRICULATION PROGRAMME (AUSMAT)

Check out the
exciting activities and
events by AUSMAT
Student Council

 @sunwayausmat

The School Curriculum and Standards Authority of Western Australia, on behalf of the Government of Western Australia, oversees the quality implementation of the AUSMAT Programme.

- Year 12 Curriculum of Western Australia
- Prepares students for the Western Australian Certificate of Education (WACE)
- Fast-tracked, globally recognised, and university ready
- More than 35 years of excellence
- Guaranteed entry to universities worldwide
- Best Smart School Award at the 2019 Edutech Asia Award
- More than 100 subject combinations that include Science & Humanities
- Flexibility to explore diverse academic and career interests
- Focus on lifelong learning skills such as consistency, multitasking, time management, collaboration and communication
- Student supporting students: Student Mentoring
- Lecturer supporting students: Academic Advisory, We-Care, University Guidance Advisory, Roadmap to success
- Parent support: Parent Portal, Parent Info Session, Parent-Lecturer Session

AUSMAT PROGRAMME OVERVIEW

You're suitable for AUSMAT if you:

- ▶ Want a fast-tracked pre-university programme
- ▶ Want a globally recognised qualification by the Australian government
- ▶ Prefer to develop university ready skills such as multitasking, consistency, time management, collaboration and communication
- ▶ Are a 21st century learner who prefers lessons that incorporate effective use of educational technology
- ▶ Prefer the balance of continuous school-based assessment and external exam

CHOICE OF SUBJECTS

Students are required to select five (5) subjects which must include 4 AT subjects.

[^] Subjects are not offered in the April and June intake (Subject to change)

Note:

1. The programme reserves the right not to offer Professional Electives subjects if less than 20 students enrol for the subject.

AUSMAT PROGRAMME STRUCTURE

STRUCTURE

The AUSMAT programme is delivered over 2 semesters (January, April and June intakes) or 3 semesters (Headstart: September).

It is recommended for students to use touch screen laptops or tablets to benefit from the digital resources available in the AUSMAT digital library.

ASSESSMENT AND EXAMINATIONS

AUSMAT offers a balanced assessment approach.

The school assessment component removes the pressure associated with a single high-stakes end-of-year examination. A variety of assessment methods such as tests, quizzes, assignments, investigations, research, presentations and examinations will develop students as versatile learners.

Officers appointed by the School Curriculum and Standards directly supervise and conduct examinations. Moreover, all external examination scripts are sent to Western Australia for marking.

CALCULATION OF ATAR

AUSMAT provides the benefit of calculating a student's score based on 4 AT subjects. These scores are then ranked for the Australian Tertiary Admission Rank (ATAR) for university applications.

CAMBRIDGE GCE ADVANCED-LEVEL (A-LEVEL)

Check out the
exciting activities
and events by
Sunway A-Level
Student Council

 @alevel.alsco

We prepare students for the General Certificate of Education Advanced Level (GCE A-Level) qualification through examinations by the Cambridge Assessment International Education (CAIE).

- Accepted as proof of academic ability for entry into highly competitive courses and top-ranked universities worldwide
- Examination structure: Advanced Subsidiary (AS) and Advanced Level (A2)
- Emphasis is on analysis and application of in-depth knowledge and laboratory skills
- Assessment: 100% examination-based
- Mentor-mentee system guides students through their academic progress and university applications

A-LEVEL PROGRAMME OVERVIEW

You're suitable for A-Level if you:

- ▶ Are academically inclined with a strong analytical and inquisitive mind
- ▶ Intend to keep open as many options as possible in terms of university studies
- ▶ Aim to apply for competitive courses and / or universities
- ▶ Prefer a 100% examination-based assessment

CHOICE OF SUBJECTS

Students shall be required to choose **a minimum of three (3) or a maximum of four (4)** A-Level subjects.

The A-Level subjects offered are:

Accounting
Biology
Chemistry
Economics
Further Mathematics#
History
Law
Literature in English
Mathematics
Physics
Psychology
Thinking Skills (AS only)
Computer Science

To be taken as a fourth subject in addition to Mathematics.

Note:

Psychology, History, Computer Science and Thinking Skills are not offered for the March intake

Thinking Skills is offered at AS Level only.

Students also have the option to take up Cambridge International Project Qualification (IPQ), a research-based qualification offered by Cambridge Assessment International Education which encourages independent project work and develops research, critical thinking, and communication skills.

The following is a guide to the most popular subject combinations students choose as pathways to various university programmes.

Pre-Medicine & Pre-Science

A-LEVEL PROGRAMME STRUCTURE

STRUCTURE

The Cambridge A-Level curriculum provides a bedrock of foundational knowledge and comprehensive coverage in the breadth and depth of subjects offered. Students are assessed on their mastery of subject matter, their application of knowledge, understanding of everyday scenarios and their ability to think critically in unfamiliar situations. In the Sciences, a fair part of the assessment involves demonstration of laboratory-based skills.

.....

ASSESSMENT AND EXAMINATIONS

The A-Level syllabus is divided into AS Level, the first half of the programme, which forms the foundation of A-Level (A2). The A2 Level is the second part of the syllabus and covers more advanced topics. Each level contributes 50% towards the final A-Level grade.

The examination papers for both the AS and A2 Levels are set and marked by examiners from Cambridge Assessment International Education (CAIE).

CANADIAN INTERNATIONAL MATRICULATION PROGRAMME (CIMP)

Check out the
exciting activities and
events by Sunway CIMP
Student Council

 @cimpstuco_official

CIMP is the Canadian Year 12 School curriculum delivered according to the requirements of the Ontario (Canada) Ministry of Education.

- Current faculty has over 370 years of teaching experience and have taught in 29 countries in addition to Malaysia
- Students graduate with the internationally recognised Ontario Secondary School Diploma, with the necessary academic and interpersonal skills to compete successfully in the global world
- CIMP focusses on:
 - High level of communication with students and parents regarding attendance & academic progress (letters of early communication, attendance reports, two report cards each semester, email communication, webpage & social media, consulting & curriculum progress on digital classroom)
 - Extracurricular activities including Student Council, Model United Nations, People to People International, Varsity Athletics in the International School Athletic Conference, various clubs and societies; poetry, fitness, Math & English help, coding, entrepreneurship, sports
 - Student recognition: Community service awards, extracurricular activities awards, student of the month, subject achievement awards
 - Character education: Virtues of the month: Acceptance, Responsibility, Loyalty, Creativity, Optimism, Citizenship, Diligence, Ambition, Aspiration, Gratitude

CIMP PROGRAMME OVERVIEW

You're suitable for CIMP if you:

- ▶ Prefer emphasis on continuous assessment and formative feedback, rather than final external examination
- ▶ Learn best through a variety of assessment techniques to develop communication, collaboration and critical thinking skills
- ▶ Value contributing to society through volunteering to foster character development and citizenship
- ▶ Wish to be engaged in the educational community by participating in extra-curricular activities and exploring individual interests and creative skills

CHOICE OF SUBJECTS

Students are required to choose **six (6) subjects** from the list below that best suit the entry requirements for their university studies.

English

ENG4C	English for College
ENG4U	English for University
EWC4U	The Writer's Craft
OLC4O	Ontario Secondary School Literacy Course

Business Studies

BAT4M	Financial Accounting Principles
BBB4M	International Business Fundamentals
BOH4M	Business Leadership: Management Fundamentals

Computer Studies

TGJ4M	Communications Technology
ICS4U	Computer Science

Performing Arts

ADA4M	Drama
AMU4M	Music

Social Sciences

CGW4U	World Issues: A Geographic Analysis
CHY4U	World History since the Fifteenth Century
CIA4U	Analysing Current Economic Issues
HHS4U	Families in Canada
HSB4U	Challenge and Change in Society
PSK4U	Introductory Kinesiology

Sciences

SBI4U	Biology
SCH4U	Chemistry
SPH4U	Physics

Mathematics

MDM4U	Mathematics of Data Management
MHF4U	Advanced Functions
MCV4U	Calculus and Vectors

CIMP PROGRAMME STRUCTURE

STRUCTURE

All students must successfully complete the following to graduate with the Ontario Secondary School Diploma (OSSD):

- Six (6) pre-university courses including ENG4U or ENG4C.
- An external literacy test (OSSLT) administered with the Ontario Ministry of Education.
- Ten (10) hours of approved Community Service.

Students should select subjects that best suit the entry requirements for their university studies.

ASSESSMENT AND EXAMINATIONS

Assessment is based on continuous evaluation.

- 70% is formative assessment (tests, assignments, daily work, etc.)
- 30% is final exam and / or culminating activity

Parents / Guardians will receive two formal report cards of their child's performance, sent out each semester. Students will receive an Ontario Student Transcript (OST) disclosing full information on all subjects taken.

MONASH UNIVERSITY FOUNDATION YEAR (MUFY)

Check out the
exciting activities
and events by MUFY
Student Council

The academic bridge for students to transition successfully into undergraduate studies at Monash University and other universities.

- Sunway College is the only provider of the MUFY Programme in Malaysia
- Recognised by all Australian universities, selected New Zealand and UK universities, branch campuses of overseas universities in Malaysia and other local private universities
- Non-discipline specific foundation programme that prepares students for all university courses
- Flexible mode of study through modular delivery
- Coursework-focused curriculum develops vital skills for success in university
- Many MUFY graduates are awarded scholarships to pursue undergraduate studies

MUFY PROGRAMME OVERVIEW

You're suitable for MUFY if you:

- ▶ Have Monash University on your radar
- ▶ Are considering other Australian, New Zealand, UK or private universities in Malaysia
- ▶ Are interested in a non-discipline specific foundation programme that prepares students for a broad range of university courses

Social Sciences

MUF0131	Global Studies Unit 1
MUF0132	Global Studies Unit 2
MUF0151	Contemporary Issues Unit 1
MUF0152	Contemporary Issues Unit 2

SUCCESSFUL COMPLETION OF THE PROGRAMME

A student must pass a minimum of eight different units to complete MUFY successfully. At least six of the eight units must be derived from three subjects i.e. there must be at least three complete subjects. One of the three complete subjects must be English. The remaining two units can be derived from either the same subject or from different subjects.

The Programme reserves the right not to offer a unit if less than 10 students enrol for the unit.

The MUFY programme is offered on a modular or semester basis. Each subject is divided into two units i.e. Unit 1 and Unit 2. In total, the programme offers twelve subjects in twenty-four units.

MUFY PROGRAMME STRUCTURE

STRUCTURE & MODE OF LEARNING

MUFY is a two semester programme which is available across 3 standard intakes - January, July, August.

Students study 4 units in semester 1 and another 4 in semester 2.

MUFY combines classroom instruction with self-directed learning delivered on an e-learning platform. Students are required to have a laptop which runs on Windows or MacOS. The laptop should also have a built-in front-facing camera, microphone and speaker. Students taking any of the Mathematics subjects are also required to have a graphing calculator (Texas Instruments model TI-84 PLUS CE Python Edition).

ASSESSMENTS AND EXAMINATIONS

Students are assessed through a mix of coursework (e.g. assignments, class tests, research projects, presentations) and final examinations. Coursework constitutes 70% of the total score while the remaining 30% is based on final examinations. For Contemporary Issues and Global Studies coursework makes up 100% of the total score.

The MUFY programme scoring scale is determined as follows:

GRADE SCORE	(%)	GRADE SCORE	(%)
HD (High Distinction)	80 – 100	P (Pass)	50 – 59
D (Distinction)	70 – 79	N (Fail)	0 – 49
C (Credit)	60 – 69		

CALCULATION OF THE MUFY SCORE

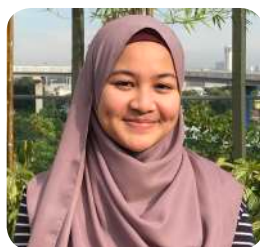

To arrive at the MUFY score, the passed marks obtained from all eight units are added up and then divided by eight. Bonus marks are awarded to students who complete nine or ten units in two semesters.

*For more information on the MUFY programme, kindly refer to the MUFY Guide 2024: <https://sunwaycollege.edu.my/programmes/pre-university-foundation/monash-university-foundation-year>

SUNWAY FOUNDATION PROGRAMME (FIA & FIST)

Check out the exciting activities and events by Sunway Foundation Programme Student Committee

 @sfp.sunway

The Sunway Foundation in Arts (FIA) and Sunway Foundation in Science & Technology (FIST) create an academic pathway for students to transition smoothly into tertiary level studies at Sunway University or to selected local and overseas universities.

- Enable students to set personal and academic goals and to identify their individual talents and achievement targets.
- Develop social responsibility through community involvement and participation in extracurricular activities
- Equip students with technical and soft skills necessary to be resourceful and successful in higher studies and enterprising in their careers.
- All aspects of learning are current with practical situations and experience that will ensure understanding of concepts and theories
- Encourage enrichment in general knowledge, critical thinking skills and professional development.

STRUCTURE

3 semesters of 14-week duration each

ASSESSMENT AND EXAMINATIONS

Students are evaluated through 50% coursework (quizzes, projects, topic reviews, investigations, assignments and presentations) and 50% examination at the end of each unit.

PLEASE REFER TO THE FIA & FIST STUDENT GUIDE FOR GRADING SYSTEM.

MODE OF LEARNING

Teaching and learning is conducted using a combination of face-to-face instruction, e-learning tools and online platforms. This mode of delivery enhances students' academic skills as well as digital, communication and interpersonal skills. As such, students are required to have their own laptops with a built-in front-facing camera and microphone.

Entry Requirements (FIA)

Passed SPM, O-Level or equivalent with minimum five (5) credits.

Entry Requirements (FIST)

From a Science stream background, pass with minimum five (5) credits including Mathematics.

Intakes
