HEADSTART TO YOUR CAREER WITH DIPLOMA PROGRAMMES

It takes more than just knowledge to be competitive in today's job market and to be relevant for the future. At Sunway, our Diploma curriculum holistically integrates various learning aspects and encourage innovation to maximise employment success.

Here's the edge our students get:

▶ ACTIVE TEACHING-LEARNING PEDAGOGY

Interactive & real-time feedback

Usage of multiple platforms for an engaging learning experience.

Hands-on projects and group work

Form independent opinions and ideas through research and practical experiences.

▶ WORK-INTEGRATED LEARNING

Authentic work experience, industry-linked projects, study trips, real-world simulations, voluntary projects, competitions, TED talks, seminars and more.

▶ INDUSTRY MENTORING & NETWORKING

Stay abreast

Regular lectures by industry professionals and guest lecturers.

Networking opportunities

Network with industry talents even before you start your internship.

▶ E-PORTFOLIO BEFORE GRADUATION

Enhanced employability

Build your e-portfolio as a record for all academic, professional and co-curricular achievements.

▶ INTERDISCIPLINARY MODULES & COMPETENCIES

Competitive and relevant to the job market

In our globally interconnected economy, industries demand new competencies and skills. We integrate attributes and soft skills such as learning & innovation skills, IT skills, and life & career skills for graduates to be relevant for future jobs.

▶ ADVANCED ENTRY INTO UNIVERSITY

Pursue further studies

Gateway towards degree courses in Sunway University and even abroad, or professional qualifications.

ENTRY REQUIREMENTS

Applicants with any other qualifications not stated here will be considered on a case-to-case basis. Kindly refer to Admissions Office for more details.

THE SUNWAY ADVANTAGE

Theme-based teaching style

Designated business theme each semester i.e. Digitalisation, Entrepreneurship, Social Commerce, Investment, etc. incorporating the latest topics in the business world.

Hands-on learning experience

- Real-world company project guided by lecturers and industry mentors
- 10-week internship programme to gain practical working experience

Student mentorship programme

Academic guidance, English language support classes, and assignment consultations to ensure students stay on track.

Student Engagement Activities

Activities such as the Young Investors Week, Make it Challenge, Career Exploration Day, and Young Entrepreneurs Day take an interactive and dynamic approach to involve students actively in the learning process beyond traditional lectures.

Students participate, collaborate and think critically, sparking their curiosity to gain a deeper understanding of the subject matter.

YOUR COMMUNICATION & CREATIVE ARTS PATHWAYS START HERE

Scan here to view our students' projects:

- Diploma in Communication
- Diploma in Interactive New Media
- Diploma in Digital Creative Content
- Diploma in Graphic and Multimedia Design
- Diploma in Interior Design

Public relations, corporate communication

Diploma in Communication

Communication is at the core of each interaction we have. From literary prose to business jargons, words, and the way we convey it, have the power to promote a brand, impact and change public perception & opinion, and avert PR disasters.

Gain valuable industry experience and delve into advertising, corporate communication, public relations, marketing, broadcasting industries, and more!

Advanced entry into:

Digital media

Diploma in Interactive New Media

Be at the forefront of emerging trends, and convey ideas across multiple platforms. Students learn to transform messages into interactive applications, short videos, films, and animations.

Sharpen your proficiency in the latest media platforms and presentations! Bridge the divide between ideas on the clients' minds and what prospective customers want to see.

Advanced entry into:

Content creation

Diploma in Digital Creative Content

Know what makes people tick (and click), and what angles and perspectives are relevant to be featured. Be the mastermind of engaging content - strategise, create, produce, and edit videos, social media posts, blog, websites and more!

Be highly sought-after by media agencies and companies seeking to promote products and services via online and digital marketing platforms.

Advanced entry into:

Visual arts & creative design

Diploma in Graphic and Multimedia Design

Work alongside clients to bring to life what they visualise in their minds, or be your own art director. Designers work on a variety of projects, from corporate website designs and product packaging, to storybook covers and character drawings for educational apps.

Complement your design talents with entrepreneurial skills in this programme!

Advanced entry into:

Interior design

Diploma in Interior Design

Transform spaces to bring out different ambiances, evoke a desired mood, and facilitate interactions. Create functional designs and build your future in interior design. This course also covers practical knowledge on building services & construction, and architectural drawing know-how.

Advanced entry into:

Fashion design

Diploma in Fashion Design Technology

From runway-ready collections to digital skins for avatars, take over the fashion world in style! Gain cutting-edge digital & technical skills, woven together with plenty of hands-on learning experiences. With contemporary subjects such as sustainable fashion, and industry-focused exposure inspired by IR 4.0, you will leverage on technological advances to create fashion pieces that can be marketable and commercialised.

Advanced entry into:

Film & theatre

Diploma in Performing Arts

From theatrical comedies to documentaries bringing light to societal issues, harness the power of film and theatre to convey messages. Students learn to be equally adept in front of the camera and onstage, as well as production and handling what goes on behind the scenes. Graduates are prepared not just for theatre and film, but related industries in television, radio, advertising, broadcasting, and social media.

Advanced entry into:

YOUR COMPUTING PATHWAYS START HERE

Diploma in Information Technology

Get ready for the future of Industrial Revolution 4.0 (IR4.0) and be drivers of innovation and technology. Develop specialised Information Technology (IT) knowledge in programming, web development and content management systems, operation systems, networking, database modelling, and software implementation.

Advanced entry into:

Diploma in Computer Science (pathway to Data Analytics)

Stay ahead of new Big Data technologies, and apply IT knowledge to harness massive data, and solidify it into actionable insights. Develop data science-focused knowledge in programming, mathematics and statistics, databases, data modelling & visualisation, data analytics, business management and marketing, and software implementation.

Advanced entry into:

SUNWAY UNIVERSITY DEGREES

- BSc (Hons) in Computer Science
- Bachelor of Software Engineering (Hons)
- Bachelor of Information Systems (Honours) (Data Analytics)
- Bachelor of Science (Honours) in Information Technology
- BSc (Hons) Information Technology (Computer Networking & Security)

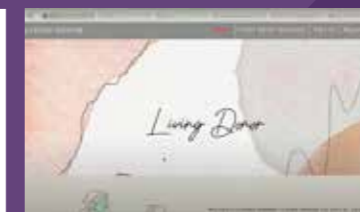

Transfer to overseas universities*:

- Edith Cowan University
- Swinburne University of Technology

* For selected programmes only. T&C apply. For further details and arrangements, contact Sunway's International Office University Placement (placement@sunway.edu.my)

YOUR HOSPITALITY, CULINARY & EVENTS PATHWAYS START HERE

Certified by:

Graduates from certified diploma programmes will receive a diploma award from Sunway University together with parchment from Le Cordon Bleu

Essential practical experience will be gained through a 20-week industry internship.

Diploma in Culinary Arts

Culinary training of the highest quality with state-of-the-art kitchen and classroom facilities.

Graduates will be confident with their culinary skills through the discovery and practice of techniques and creativity in the world of cuisines. Students will also be trained to communicate fluently, work independently and display leadership qualities that will enhance their credentials in the hospitality and foodservice industries here in Malaysia and globally.

Advanced entry into:

Diploma in Events Management

Strong fundamental know-how and hands-on practical skills in the full events managing process, from project conceptualisation to events close-down.

Students will be introduced, guided and trained on the principles of events management through theoretical implementation and active participation. Develop key business competencies involved in designing, marketing and managing events, and experience personal growth while working together as a team, as well as individually.

Advanced entry into:

Diploma in Hotel Management

Solid foundation in hotel operations, planning and managing accommodations, as well as foodservice establishments.

Students will be trained to undertake various managerial and operational functions in real-life simulation, which is effective in helping them develop the professional skills and knowledge pertinent in meeting local and international industry standards.

Advanced entry into:

SUNWAY UNIVERSITY DEGREES

- Bachelor of Science (Hons) in Culinary Management
- Bachelor of Science (Honours) in Conventions and Events Management
- Bachelor of Science (Hons) in International Hospitality Management

Transfer to overseas universities*:

- Bournemouth University
- University College Birmingham
- Griffith University

* For selected programmes only. T&C apply. For further details and arrangements, contact Sunway's International Office University Placement (placement@sunway.edu.my)
