TESTIMONIAL

"Beginning my foundation studies at Sunway with a scholarship felt like a dream realised. It was more than financial support; it was a powerful affirmation of what I can do and achieve. That recognition didn't just open doors—it inspired me to dream more boldly, work more strategically, and believe that significant achievements often begin with small, determined steps."

Daphne Ng Hui Qi

- Sunway Foundation in Arts, Class of 2025
- Bachelor of Science (Honours) in Accounting and Finance, Class of 2028

"Participating in extracurricular activities during secondary school not only enriched my personal growth but also led to the incredible opportunity of receiving the Sunway College Special Scholarship. This scholarship has allowed me to pursue a quality education in a welcoming and supportive environment at Sunway College and University, where I've had the chance to learn, grow, and connect with a vibrant community."
