HEADSTART INTO UNIVERSITY WITH DIPLOMA PROGRAMMES

It takes more than just knowledge to be competitive in today's job market and to be relevant for the future. At Sunway, our Diploma curriculum holistically integrates various learning aspects and encourage innovation to maximise preparation for university degrees and employment success

Here's the edge our students get:

▶ ADVANCED ENTRY INTO UNIVERSITY

Pursue further studies

Gateway towards degree courses in Sunway University and even abroad, or professional qualifications.

▶ INTERDISCIPLINARY MODULES & COMPETENCIES

Competitive and relevant to the job market

In our globally interconnected economy, industries demand new competencies and skills. We integrate attributes and soft skills such as learning & innovation skills, IT skills, and life & career skills for graduates to be relevant for future jobs.

▶ WORK-INTEGRATED LEARNING

Authentic work experience, industry-linked projects, study trips, real-world simulations, voluntary projects, competitions, TED talks, seminars and more.

▶ ACTIVE TEACHING-LEARNING PEDAGOGY

Interactive & real-time feedback

Usage of multiple platforms for an engaging learning experience.

Hands-on projects and group work

Form independent opinions and ideas through research and practical experiences.

▶ INDUSTRY MENTORING & NETWORKING

Stay abreast

Regular lectures by industry professionals and guest lecturers.

Networking opportunities

Network with industry talents even before you start your internship.

▶ E-PORTFOLIO BEFORE GRADUATION

Enhanced employability

Build your e-portfolio as a record for all academic, professional and co-curricular achievements.

CAREER PREPARATION

Lecturers and placement advisors guide and support students with information on:

- Career choices
- University applications
- Internships
- Jobs placement

CAREER SERVICES TEAM

Our Student LIFE department has a Career Services team dedicated to equip students with the right tools & skills to nurture employable graduates and prepare them to jumpstart their careers and businesses.

Check out the latest activities and events by Sunway Career Services

Career interest assessment

Resume & cover letter review

Mock interview practice

LEAP employability programme

Career & industry speaker series

ENTRY REQUIREMENTS

Applicants with any other qualifications not stated here will be considered on a case-to-case basis. Kindly refer to Admissions Office for more details.

BUSINESS, FINANCE & ACCOUNTING

YOUR HOSPITALITY, CULINARY & EVENTS PATHWAYS START HERE

Certified by:

Graduates from certified diploma programmes will receive a diploma award from Sunway University together with parchment from Le Cordon Bleu

Essential practical experience will be gained through a 20-week industry internship.

Diploma in Culinary Arts

Culinary training of the highest quality with state-of-the-art kitchen and classroom facilities.

Graduates will be confident with their culinary skills through the discovery and practice of techniques and creativity in the world of cuisines. Students will also be trained to communicate fluently, work independently and display leadership qualities that will enhance their credentials in the hospitality and foodservice industries here in Malaysia and globally.

Advanced entry into:

Diploma in Events Management

Strong fundamental know-how and hands-on practical skills in the full events managing process, from project conceptualisation to events close-down.

Students will be introduced, guided and trained on the principles of events management through theoretical implementation and active participation. Develop key business competencies involved in designing, marketing and managing events, and experience personal growth while working together as a team, as well as individually.

Advanced entry into:

Diploma in Hotel Management

Solid foundation in hotel operations, planning and managing accommodations, as well as foodservice establishments.

Students will be trained to undertake various managerial and operational functions in real-life simulation, which is effective in helping them develop the professional skills and knowledge pertinent in meeting local and international industry standards.

Advanced entry into:

Audition Requirements

All audition materials must be submitted via cloud drive links (e.g., YouTube, Google Drive, Dropbox, WeTransfer).

Kindly send the link to dipmus@sunway.edu.my and ensure that the links are publicly viewable or have granted access.

You will need to submit 4 videos total:

- 3 Audition pieces (choose Option A OR Option B below).

- 1 Self-introduction video (1 minute)

In your introduction video, please:

- Introduce yourself clearly.
- Share your musical background and experience.
- Share why you're interested in studying music at Sunway University.

OPTION A: PERFORMANCE PATHWAY

Demonstrate your musical capabilities through three contrasting pieces (minimum 1.5 minutes each).

What to perform:

- All genres are welcomed: classical, jazz, pop, rock, traditional, or a mixture of styles.
- Pieces should showcase different aspects of your musical abilities.
- Perform on your preferred instrument(s) or voice.

OPTION B: PRODUCTION/COMPOSITION PATHWAY

Demonstrate your musical creativity and production skills through three works (minimum 1.5 minutes each).

What to submit:

- Any combination of original compositions, beats, remixes, arrangements, multi-track productions, or recordings.
- Works should showcase different aspects of your creative and technical abilities.

CERTIFICATE PROGRAMMES

Personal Development Skills Classes

Students in the CBS Programme will be attending Personal Development Skills classes, which covers topics like Study Skills, Learning Styles, Time Management, Reflections, and more.

More Personal Attention For Student

The CBS classrooms are arranged in an island-style layout, allowing students interact better with their lecturers and work closely with classmates.

The schedule also includes more sessions, giving lecturers extra teaching time to help students understand their subjects better.

MIEE Certified Lecturers

Our Certificate Programme is led by Microsoft Innovative Educator Expert (MIEE) certified lecturers, offering Innovative, technology-driven teaching methods to equip students with future-ready skills in a digital world.
