# YOUR PATHWAY TO A BRIGHTER FUTURE

## #CampusWithAConscience

#CampusWithAConscience is an underlying principle that embraces everything you will experience during your time at Sunway Education Group. This is the fundamental spirit at the heart of Sunway Campus Life as we educate, encourage, and engage all aspects of our diverse community to adopt a lifestyle and lifestyle habits that truly reflect a society determined to create a better living environment for this generation and generations to come.

This # campaign aims to encourage conscientious efforts of the Sunway campus community in areas such as:

- The United Nations Sustainable Development Goals
- Acceptance and tolerance towards each community member of the campus and the wider national and global community;
- Inclusiveness of all and unity with all;
- Well-being, both physical and mental;
- Doing things right for society.

Join our journey as we seek to create a better environment for all, starting with you.

## #MostHappeningCampus

#MostHappeningCampus is a vibrant concept to promote a positive sense of inclusiveness whilst also generating a genuine feeling of community spirit. This # campaign has been successful in developing positive energy, togetherness and working as a team towards a common goal. It encompasses all the energy of Sunway life and supports student activities that happen on our campus.

May it be iconic events hosted on campus, unique student activities, academic presentations, or even visits by global personalities that inspire us, #MostHappeningCampus expresses our feeling of positive energy and encourages all our community to work together and develop personal attributes and qualities that will support their academic achievements at Sunway.

The most happening part of our campus is YOU.

A strong tradition of academic excellence prevails at Sunway College. Every attention is given to our students' development. Students develop teamwork, communication and independent learning skills which build confidence and success.

### ENRICHING LEARNING EXPERIENCES

Students have a head start not only academically but also personally through exposure to extracurricular activities in clubs and societies. They are also enriched by lectures, eminent speakers and industry leaders.

### LEARNING RESOURCES & FACILITIES

Sunway College provides a comprehensive range of teaching and learning resources and facilities. Classes are conducted in conducive and well-facilitated premises and are supported by state-of-the-art technology.

### EXPERIENCED & DEDICATED LECTURERS

Lecturers are committed to teaching and learning, offering personalised attention and mentoring through small-group learning to assist students in achieving their goals. More than 70% of Pre-University lecturers at Sunway College have more than 5 years of teaching experience.

### GUIDANCE TO UNIVERSITY PLACEMENT

Lecturers and guidance advisors assist students with information and advice on career choices and university applications and place students in the university of their choice. Sunway College's Pre-University students have successfully progressed into prestigious universities worldwide such as Oxford and Cambridge in the UK, Harvard and Cornell in the USA, and Group of Eight Universities in Australia, to name a few.

 @sunwayausmat

The School Curriculum and Standards Authority of Western Australia, on behalf of the Government of Western Australia, ensures the quality delivery of the Year 12 Curriculum. The programme prepares students for the Western Australian Certificate of Education (WACE), providing a fast-tracked, globally recognised pathway to university. With over 35 years of proven excellence, AUSMAT is a trusted route to higher education worldwide.

## Excellence in Education

- Over 80% of our lecturers hold Microsoft Innovative Educator Expert (MIEE) certification, reflecting their excellence in educational technology and innovation.
- Around 80% also serve on SCSA Curriculum Advisory Committees (CACs) as experienced subject-matter experts, providing vital real-world feedback to keep content fresh, academically rigorous, and future-focused.

## Gateway to Global Education

- AUSMAT offers students over 100 subject combinations across Science and Humanities, together with guaranteed entry to universities worldwide. This flexibility allows them to tailor their studies to their interests and future career aspirations.
- AUSMAT cultivates lifelong learning skills such as consistency, time management, collaboration, and communication, preparing students for success beyond the classroom.

## Guided Every Step of the Way

- Students are guided through peer mentoring, academic advisory, We-Care, University Guidance Advisory, and AUSMAT's Roadmap to Success.
- Parents stay connected through the ParentConnect, information sessions, and parent-lecturer meetings.

# AUSMAT PROGRAMME STRUCTURE

## STRUCTURE

The AUSMAT programme is delivered over 2 semesters (January and May intakes) or 3 semesters (September intake).

## ASSESSMENT AND EXAMINATIONS

AUSMAT offers a balanced assessment approach.

The school assessment component removes the pressure associated with a single high-stakes end-of-year examination.

A variety of assessment methods such as tests, quizzes, assignments, investigations, research, presentations and examinations will develop students as versatile learners.

## CALCULATION OF ATAR

AUSMAT provides the benefit of calculating a student's score based on 4 AT subjects. These scores are then ranked for the Australian Tertiary Admission Rank (ATAR) for university applications.

## AUSMAT PLUS (STARTING IN APRIL)

AUSMAT PLUS is an experiential immersion programme for secondary school leavers to get a taste of Sunway AUSMAT programme ahead of the May intake commencement.

The Programme reserves the right not to offer a unit if less than 10 students enrol for the unit.

The MUFY programme is offered on a modular or semester basis. Each subject is divided into two units i.e. Unit 1 and Unit 2. In total, the programme offers twelve subjects in twenty-four units.

A student must pass a minimum of eight different units to complete MUFY successfully. At least six of the eight units must be derived from three subjects i.e. there must be at least three complete subjects. One of the three complete subjects must be English. The remaining two units can be derived from either the same subject or from different subjects.

# MUFY PROGRAMME STRUCTURE

## STRUCTURE & INTAKES

MUFY is a two semester programme which is available across 3 standard intakes - January, July, August.

Students study 4 units in semester 1 and another 4 in semester 2.

The duration of each intake is outlined below:

STANDARD INTAKE	SEMESTER 1	SEMESTER 2
JANUARY	January - May	July - November
JULY	July - November	January - May
AUGUST	August - December	January - May

## MUFY PLUS (STARTING IN MAY)

MUFY PLUS is a 6-week experiential immersion programme for secondary school leavers to get a taste of MUFY programme ahead of the July intake commencement.

## HOW STUDENTS ARE ASSESSED

Students are assessed through a variety of coursework (e.g. class tests, assignments, research projects, student-led seminars, presentations etc). Coursework constitutes 100% of the total score.

The MUFY programme scoring scale is determined as follows:

GRADE SCORE	(%)	GRADE SCORE	(%)
HD (High Distinction)	80 - 100	P (Pass)	50 - 59
D (Distinction)	70 - 79	N (Fail)	0 - 49
C (Credit)	60 - 69		

## CALCULATION OF THE MUFY SCORE

To arrive at the MUFY score, the passed marks obtained from all eight units are added up and then divided by eight. Bonus marks are awarded to students who complete nine or ten units in two semesters.

# SUNWAY UNIVERSITY FOUNDATION (FIA & FIST)

Check out the exciting activities and events by Sunway University Foundation Student Committee

 @sfpsc\_committee

The Sunway Foundation in Arts (FIA) and Sunway Foundation in Science & Technology (FIST) create an academic pathway for students to transition smoothly into tertiary level studies at Sunway University or to selected local and overseas universities.

- Enable students to set personal and academic goals and to identify their individual talents and achievement targets.
- Develop social responsibility through community involvement and participation in extracurricular activities
- Equip students with technical and soft skills necessary to be resourceful and successful in higher studies and enterprising in their careers.
- All aspects of learning are current with practical situations and experience that will ensure understanding of concepts and theories
- Encourage enrichment in general knowledge, critical thinking skills and professional development.

### STRUCTURE

3 semesters of 14-week duration each

### ASSESSMENT AND EXAMINATIONS

Students are evaluated through 50% coursework (quizzes, projects, topic reviews, investigations, assignments and presentations) and 50% examination at the end of each unit.

### MODE OF LEARNING

Teaching and learning is conducted using a combination of face-to-face instruction, e-learning tools and online platforms. This mode of delivery enhances students' academic skills as well as digital, communication and interpersonal skills. As such, students are required to have their own laptops with a built-in front-facing camera and microphone.

### Entry Requirements (FIA)

Passed SPM, O-Level or equivalent with minimum five (5) credits.

▶ Perform better through 50% coursework and 50% examination

▶ Want the opportunity to explore various fields of study to make a better informed university degree decision

▶ Enjoy academic rigor and student-driven activities

### CHOICE OF UNITS

A student is required to pass 50 credit hours which is equivalent to thirteen (13) units in order to complete FIA and FIST successfully. **Core and Enrichment Units for every semester are fixed by the programme. Academic electives for every semesters are subject to change. Students will be advised during subject registration.**

### SUF PLUS (STARTING IN JULY)

SUF PLUS is a 6-week experiential immersion programme for secondary school leavers to get a taste of Sunway University Foundation programmes ahead of the August intake commencement.
