The VU Sunway experience

Sunway College is the only international delivery partner of VU in Malaysia, offering the VU Bachelor of Business twinning programme since 1994.

This exclusive partnership allows students to receive quality Australian education closer to home. Students are given the flexibility of transferring to VU in Melbourne at any time during their course of study. Studying in Melbourne gives students the opportunity to live and study in one of the most liveable cities in the world. They also get to choose how many semesters they want to study at VU Melbourne. They can choose anywhere from one semester to a full two years of study.

Students have the flexibility to apply to transfer to other Australian and New Zealand universities upon completing their first year of the VU Bachelor of Business programme at Sunway College.

Studying VU’s Bachelor of Business at Sunway College enables you to attain the same quality VU business degree at an affordable cost. Furthermore, both Sunway College and VU provide an array of scholarships to eligible students.
